

## COMPANY OVERVIEW

Fresh Haystack, a division of CANDA Solutions, is a modular case management solution created from years of experience deploying generic case management systems that were expensive, difficult to navigate, costly, and slow to implement. With a dedication to “Getting Things Done,” we knew there had to be a better way to gain clarity across the many existing departmental data silos.

## ENTERPRISE INDUSTRIAL SECURITY

Fresh Haystack is a “game-changer”, as some of our clients have described it post implementation. A comprehensive, logically structured, user friendly case management system, Fresh Haystack (FH) is a paperless, workflow-based and automated Case Management solution built for the specific purpose of streamlining the complex Industrial Security management process. FH was built to cut cost, increase efficiency and productivity, enable automation and deliver visibility into the security clearance process.

FH brings clarity to candidates, security personnel, adjudicators, investigators and internal auditors. Our modular system is easy to implement, allowing for a rapid, staged deployment with follow-on releases of enhanced features to accommodate program breadth, secure integration needs and evolving requirements.

Regarding the future of the Personnel Security Domain, *Fresh Haystack is the only product on the market today addressing the end-to-end lifecycle of Industrial / Personnel Security.* Fresh Haystack combines Suitability, Collateral, SCI Security, Network & Cyber Security, Continuous Evaluation with Insider Threat, and Investigations Management on any device. Fresh Haystack is a, true, single platform to secure the entire human supply chain.

### ACCELERATE THE FEDERAL GOVERNMENT SECURITY CLEARANCE PROCESS

Fresh Haystack makes it easy to accelerate candidates and employees through the security clearance process and easily organize, manage and track all associated artifacts and data. Gain acceleration through automation.

### GIVE YOUR SECURITY TEAM THE BEST TOOLS IN THE GAME

Your Security Team will no longer fight with messy spreadsheets, hanging email and outdated software that slows them down. With Fresh Haystack, they can process candidates fast and error free, so your company can have satisfied customers and be more profitable.

### GAIN TOP-LINE REVENUE, REDUCE BENCH-TIME, AND MAXIMIZE CLASSIFIED POSITION PROFITABILITY

Leverage Fresh Haystack to fill classified positions across your portfolio of contracts ~24 business days sooner than industry average. An extra 192 hours per new-hire makes a significant impact to the business.
